THIS MONTH'S COVER

Five Bronx scenes make up BRONXBORO's attractive cover page.

Included among these points of interest is the Church of St. Nicholas of Tolentine at Fordham Road and University Avenue. Under the leadership of its Pastor, the Reverend Eugene A. Mauch, O.S.A., the upper Church was recently completed and has been widely hailed as "the Cathedral of The Bronx."

The Van Courtland Mansion in Van Courtland Park was once the home of Frederick Van Courtland and is marked in history by such distinguished visitors as George Washington and Rochambeau. It is now a shrine under the custody and care of the Colonial Dames.

The Yankee Stadium at 161st Street and River Avenue in the Borough of The Bronx is the "House that Ruth Built." More than any other point of interest in New York State, the Yankee Stadium attracts out-of-town visitors during the summer months.

Also pictured on BRONXBORO's cover page is a leopard at the world renowned Bronx Zoo and the last illustration shows the famous Lorillard Snuff House in the Bronx Botanical Gardens.

For complete information on these and other points of interest in The Bronx, contact The Board of Trade.
